## Committee Volunteers Needed to Plan Monterey Park's 100th Birthday Celebration

The City of Monterey Park will be celebrating its 100th birthday in May 2016 and the call is going out for volunteers to help plan the centennial celebration in style.

A centennial committee is being formed to recommend a variety of activities that can be planned for this celebratory occasion. Interested parties are invited to attend a meeting:

**Wednesday, March 11, 2015, 6 p.m.**  
**City Hall Community Room**  
**320 W. Newmark Avenue,**  
**Monterey Park, CA 91754.**

Possible activities for the committee might include:

- Conceiving an official name and slogan for the event.
- Organizing a special luncheon, banquet or concert.
- Constructing a time capsule.
- Creating a commemorative book or publication.
- Producing other events, celebrations, products, etc.

It will be up to the committee to develop a recommendation to the city council as to what types of activities would be best for the city to celebrate this historic event.

Everybody is welcome to participate in the centennial committee. For more information, or if one cannot attend the first meeting, please contact the Recreation and Community Services Department at 626-307-1388, email [recreation@montereypark.ca.gov](mailto:recreation@montereypark.ca.gov) or visit the city website at [www.MontereyPark.ca.gov](http://www.MontereyPark.ca.gov).

## Water Conservation, Environmental Issues Highlighted at Earth Day Festival and Bike Ride April 18

The City of Monterey Park Environmental Commission will be hosting its fifth Earth Day Festival on Saturday, April 18, from 11 a.m. to 3 p.m. at Barnes Park alongside the city's Cherry Blossom Festival.

In the morning prior to the Earth Day Festival's opening, the bike ride invites parents, children age 10 and above, and the general public to participate in the ride. The commission is working with Bike San Gabriel Valley ([www.bikesgv.org](http://www.bikesgv.org)) to facilitate the family friendly ride through Monterey Park neighborhoods.

The Earth Day event will feature environmental organizations, institutions,

and public agencies. Various educational resources, materials, and literatures on environmental issues such as energy conservation, clean air, water quality, sustainability and much more will be available. This year's focus will be water conservation as California grapples with drought conditions. The U.S. Green Building Council will be participating again and promoting tree planting as one of the best ways to mitigate the heat island effect and collect stormwater is to plant trees. In the works: free tree giveaways at the festival.

The Environmental Commission is very excited about another year of fun and festivities. For more information, please visit

## Farmers' Market: Springtime Produce Is on Its Way

Spring is almost here. The earth is budding with life and bringing healthy fruits and veggies to the farmers' market. A few of the items you will see farmers selling

include guavas, peas and asparagus.

### EGGS HAVE A SEASON

Did you know that eggs are at their peak in the spring? And of course, free-range, pastured eggs are healthier for you in just about every way. They contain choline, vitamins A, B and E, and folate. So stop by the market to pick up your healthy dozen of eggs.

### FARMERS' MARKET TIP OF THE MONTH!

Leeks are coming into season, and we couldn't be happier. And did you know that they could be used in substitution of onions? If you're not in the mood to shed a few tears

from chopping up an onion (we feel your pain) try subbing in a leek. They add a much stronger flavor to your dish.

Don't forget about the great Market Match program for EBT & WIC recipients (potential for free \$10 to spend at the market). If you have questions or comments please feel free to stop by the information booth at the market, send an email to [montereyparkFM@gmail.com](mailto:montereyparkFM@gmail.com), login to [facebook.com/montereyparkFM](http://facebook.com/montereyparkFM), or visit [www.montereyparkfm.com](http://www.montereyparkfm.com). Monterey Park's Farmers' Market is open rain or shine every Friday in front of the library at 318 S. Ramona Ave from 4-8 p.m.

## Monterey Park Police Department Warns of Distraction Thefts

Keep an eye out for imposters who divert your attention to someone at the door while an accomplice sneaks into your home to steal your valuables

By Sergeant John Martindale, Monterey Park Police Department

Due to recent burglary trends in Monterey Park and the surrounding San Gabriel Valley, the Monterey Park Police Department is warning residents to be aware of suspicious activities in residential neighborhoods. The majority of residential burglaries occur during daytime hours when residents are away from their homes, however, an alarming trend in burglaries, called a "distraction burglary" is being committed right in front of our eyes.

A distraction burglary occurs when one criminal distracts a homeowner while their partner steals property from the home. Often, these types of criminals will pose as an official city or utility worker or they may offer a service or inspection to the unsuspecting victim. These burglars will lure the resident into the back yard or away from their front door in order for their

partners to get into the house. The suspects may seem helpful or concerned about your property, but they are only concerned with distracting you long enough to allow their partners to ransack your home! In the past, these burglars have posed as Monterey Park city workers or contractors, public utility repair persons, cable installers, tree trimmers, etc. Although they may have a uniform on, their disguises do not usually hold up to close scrutiny. Remember-always ask for identification if someone claims to be providing some type of service at your home. If you did not request any services from utility companies or other providers, you should call the police immediately.

In addition to keeping an eye out for these imposters, another important way residents can help combat crime is to report

suspicious activity in their neighborhoods immediately. If you see activity in your neighborhood that seems unusual or out of the ordinary, don't hesitate to call the police and report the activity that you are observing and give a description of the people or vehicles involved. Remember, the sooner you call, the sooner police officers can respond to investigate the activity

The Monterey Park Police Department phone number is 626-573-1311 or 9-1-1 for emergencies. To learn more about crime prevention, personal safety and emergency preparedness, consider joining the Monterey Park Police Department's Neighborhood Watch Program. For more neighborhood watch information, call the MPPD Community Relations Bureau at 626-307-1215.

# Citywide Water Meter Replacement

In February 2015 the City of Monterey Park initiated a comprehensive water capital improvement program that upgrades or replaces approximately 10,745 water meters to an automated meter reading (AMR) system. The purpose of this effort is to upgrade the city's water distribution system with an electronic reading capability and to replace meters that have served beyond their estimated useful lives. The target meter population includes all commercial and residential meters. The estimated time of completion for the entire project is eight months.

**OVERVIEW**

The AMR system will allow meters to be read from radio receivers in vehicles. The program is being conducted as part of the city's energy conservation program. Water meters are the devices used to measure the amount of water delivered to our customers. Replacing old water meters will ensure that the city can accurately track both individual usage for billing purposes, and also monitor and evaluate community water demands and leaks.

**PUBLIC OUTREACH**

All impacted customers will be notified in advance by a customer notification letter and in person prior to the installation of the new meter.

**INSTALLATION**

The contractors, Siemens and Pedal Valve, Inc., will replace or upgrade the water meters. The work crews will be identified by wearing blue shirts and yellow vests marked with the Siemens logo. Trucks marked with the same logo will be used during meter swap outs. Meter replacements are anticipated to take approximately 30 minutes each and there will be a temporary service interruption while the meter is replaced.

Please pardon any inconvenience during this upgrade to your service. Your patience throughout this important project is appreciated. If you have any questions or concerns regarding this project, or have special water needs, please feel free to contact public works at 626 307-1320 or visit the city website at [www.MontereyPark.ca.gov](http://www.MontereyPark.ca.gov).

# Let the Spring Cleaning Begin

Welcome spring on March 20 with a clean, fresh start and help make Monterey Park neighborhoods and businesses bright and attractive

The Code Enforcement Division would like to continue the ole American tradition of spring cleaning in Monterey Park. Traditionally, when winter ends and spring begins, the resident and the business communities would join forces in making spring cleaning an annual event. When neighbors start improving the appearance of their property, the attitude and character of the community improves. Spring officially begins March 20, but that's only the beginning date and cleaning can continue well into April and May, depending on the person's abilities, budget and desired goals.

Households and business owners would prepare a spring cleaning list of projects to improve the appearance of their property, dwelling and businesses. Supplies would be purchased depending on the work required. Window washing was always part of spring cleaning. Sweeping, mopping, dusting, vacuuming and general cleaning was always the basic tenant of the spring cleaning. Winter is over and it is time open

the windows and let some fresh air in.

Start planning for spring cleaning on the exterior of your property as well. Check the exterior of your home for peeling paint, dry rot, chalking, warping or even termite infestation. Add color to your front yard. Look at your lawn and consider new plants and attractive bulbs. Consider planting native California vegetation and drought resistant plants. Re-seed the lawn with new grass. Add nutrients to the soil to improve productivity and health of the lawn, plants, shrubs and trees. Start watering your lawn again, but remember city code prohibits watering between 10 a.m. and 5 p.m.

Experiment with garden ornaments, such as a concrete bird bath or fountain that will improve the curb appeal of your home. Trim your unsightly bushes and cut the branches hanging over your roof or near your chimney. Ensure vegetation doesn't grow into the sidewalk or block traffic signs. Thin out the under-

growth at trees and bushes. Remove decayed organic material, fallen leaves and branches from your property. Remove buckets, pails, boxes and plant containers from public view.

Businesses should reconsider the curb appeal of their store front. Rather than using the display window for storage, an attractive display of products would enhance customer attention and appreciation. A new and cleaner look would also attract new customers. The exterior parking lot should always be maintained free of trash and litter. Maintaining awnings in an attractive manner is always desired. Customers tend to like clean and organized stores.

By improving the appearance of your property, home and business owners will be maintaining the property values of the neighborhood and business district and create a friendlier atmosphere in Monterey Park. Let's bring spring cleaning back to the city.

# A Guide to the Night Sky

By Tre Gibbs, Los Angeles Astronomical Society

March: The signaling of winter's end and the beginning of spring...at least in the Northern Hemisphere. On March 20, at 3:41 p.m., spring will officially arrive in Los Angeles in what we refer to as the vernal (or spring) equinox. Equinox is a Latin word which means "equal night," one of the two times per year that both the Northern and Southern Hemisphere each receive 12 hours of daylight and 12 hours of darkness. This event is noticed on Earth not necessarily in the form of measuring time, but by the Sun rising due east and then setting due west on this day.

Our own satellite, which is aptly named, "The Moon", will continue to showcase its monthly - or "moon-thly" - orbit, pairing up with several planets during its approximate 28 day journey around Earth.

Early in the month on March 2, rising just before sunset in the east, the planet Jupiter and the Moon will travel the sky

together the entire night. Jupiter will be the bright "star" to the left of the Moon. Even with a basic pair of binoculars, you will be able to see four of Jupiter's moons. Meanwhile, over on the western horizon just after sunset, look for brilliant Venus hanging just above extremely faint Mars.

In the early hours of March 12, Saturn will be accompanying our moon, although on the right side of it and much fainter, since the ringed planet is much farther away from us. Both celestial bodies will be well above the eastern horizon by 2 a.m.

On the early evening of the 22nd, look low on the western horizon during twilight and you will see a tiny sliver of the Moon hanging just to the left of brilliant Venus. The two will sink below the western horizon pretty quickly so don't miss it - it only happens once a month.

Did you know that there will also be a total solar eclipse the

same day as the equinox? But don't get too excited, because sadly, it won't be visible from here. Parts of The United Kingdom and Faroe Islands will be able to see it. We, of course will be turned away from the sun while this is happening, which will be 2:46 a.m. our time.

So, until next month, enjoy the seasonal changes happening this time of year both on the ground and in the night sky!

The Los Angeles Astronomical Society meets at the Garvey Ranch Observatory every Wednesday night, rain or shine, from 7-10 p.m. All members are eager to answer your questions, and let you have a peek through our 8" telescope, weather permitting. We would love to see you there! Feel free to contact us via any of these methods: Address 781 S. Orange Ave., Monterey Park, CA 91755; www.laas.org; www.facebook.com/losangelesastronomicalsociety; or phone 213-673-7355.

# Monterey Park to Open Doors as Host Town for the Special Olympics World Games Los Angeles 2015 (LA2015)

Monterey Park is selected as an LA2015 Host Town, providing culture, training and accommodations to international athletes in July 2015

The City of Monterey Park announced that the community has been officially selected to participate in the Special Olympics World Games Host Town program from July 21 – 24, 2015. Before the Special Olympics World Games begin on July 25, 2015, more than 7,000 athletes from 177 countries will be welcomed to Southern California through the Host Town program. As many as 100 communities from San Luis Obispo to San Diego will have the honor of being selected as an official Host Town.

A City of Monterey Park representative said “It’s a great honor to be a host city for the Special Olympics here in the city of Monterey Park. It is an exciting opportunity for us all here in the city and we are looking forward to the games and

all the festivities!”

As a Host Town, Monterey Park will entertain, accommodate, and introduce their delegation to the culture of the city. As part of the program, California State University Los Angeles will provide housing accommodations and training facilities for all participating athletes.

“The Host Town program is an exciting way for Southern California locals to open our doors and show the athletes and coaches from around the world our hospitality and our culture,” said Patrick McClenahan, President and Chief Executive officer of LA2015, the Games Organizing Committee. “This is an important part of the World Games experience and a truly meaningful way for different communities to be part of the Games and create lasting memories for our visiting athletes.”

The Host Town program has been an important element of Special Olympics World Games since 1995, and the experience has left a lasting impression on the local communities in Ireland, Japan, China, Greece, South Korea and the United States, all of which have previously organized Host Town programs as part of the Special Olympics World Games.

Monterey Park Police Chief Jim Smith said “We’re really excited about the opportunity to be a Host Town and get the honor and privilege of meeting and interacting with the athletes.”

Monterey Park joins the list of officially proclaimed Host Towns, which includes but are not limited to Alhambra, South Pasadena, Pasadena, West Covina, Arcadia, Burbank, Glendale, Downey, Whittier, Azusa/Duarte/Glendora, Long Beach, Thousand Oaks, Studio City, Manhattan Beach, Palm Springs, Santa Barbara, Irvine, Simi Valley, Fountain Valley, Huntington Beach, Fullerton, Solvang, Mountain Communities of Lake Arrowhead, Inglewood, Ontario, Carson, Mission Viejo, Rancho Cucamonga, San Diego Counties, Chino Valley, Hermosa Beach, San Luis Obispo County, Santa Monica, Lincoln Heights, Newport Beach and Camarillo.

Communities interested in donating to Monterey Park’s Host Town activities and / or serving as Host Towns can learn more by visiting the World Games website at [www.LA2015.org/host-town](http://www.LA2015.org/host-town).

## 1 TO 1 TUTORING FOR ADULT LITERACY

If you know an adult learner who cannot read or struggles in reading, call the LAMP Literacy Program. Our success rate for assisting adult learners is well established. Adult learners are matched with trained literacy tutors who will give reading and writing instruction in English to adult learners who have little or no reading skills. All learners are pretested for accurate placement with tutors. Enrollment to the one to one literacy program is free and funded by California State Library Literacy Services. Monterey Park residents are given priority on waiting list. Please be prepared to present identification. Please call the LAMP office for more information at (626) 307-1251 or visit the literacy office on the second floor of the library. No material fee for tutoring sessions is necessary.

## JOIN THE LAMP TEAM OF VOLUNTEERS!

Are you interested in giving back to the community of Monterey Park and have command of the English writing, reading and speaking skills? Then we need you to join our team! The LAMP Literacy Office is looking for motivated people who are interested in tutoring adult learners in one-to-one English Language Instruction, or small groups of adult learners, or Citizenship Preparation coaching. Training will be provided for all volunteers. The LAMP Literacy Program will supply all needed training materials at no cost. Please contact the LAMP Literacy Office at (626) 307-1251 for more information or stop by and fill out an application. Give the gift that will last a lifetime by helping someone learn English so they can flourish and prosper in their communities. Individual trainings can also be scheduled to meet your availability.

# Monterey Park Midyear Review Report

By Annie Young, City Controller

On January 15, 2015 the finance department completed the 2014-15 Midyear Review Report and has published it on the city's website. The purpose of our midyear report is to provide citizens accountability in areas such as revenue projections updates, projected annual expenditures, proposed budget adjustments, and projected budget development for the upcoming 2015-16 year. The midyear review incorporates the policy direction of the city council for services and programs to address the needs of the community as identified during the first half of this fiscal year.

## GENERAL FUND

The city receives revenues from taxation, State or federal intergovernmental transfers, and user charges. The city's two largest revenue sources, property and sales taxes, account for 58.5% of our general fund revenues. Property tax is calculated based on the assessed value. The city's total assessed value for the fiscal year 2014-15 is \$6.3 billion, up 4.3 percent from last year. Again, the housing market continues to remain positive for 2015-16.

The city's sales tax provides around 14.8 percent of general fund revenues, vs. on average, around 30 percent for all cities and counties in California. Retail sales over the Internet continue to drain significant sales tax revenues from local coffers. For our 2015-16 projection, the city assumes a 3 percent sales tax increase as the economy continues to recovery.

Projections at the midyear indicate that the city will have a balanced general fund budget for both 2014-15 and 2015-16. Please refer to the midyear review report for detailed information.

The city has adopted a conservative financial management practice. For the coming year, 2015-16 proposed budget, it will reflect key assumptions, such as a cost of living contingency labor expenditure for citywide MOUs, a required higher minimum wage rate from the current \$9.00 to \$10.00 on January 1, 2016, minimum internal service fund charges, and general fund supplement to pension costs.

## RETIREMENT FUND

The city continues to face significant deficits in the retirement fund and the general fund contribution is needed to mitigate the insufficient retirement fund gap. Under all labor contracts, current employees are required to contribute the full percentage of the member contribution. Pension obligations are a long-term liability, and pension funding decisions should be viewed in the same light. Staff will diligently explore options

to reduce pension liabilities and present a recommendation for council's consideration at the June budget hearings.

## OVERALL

Overall, the city finances for 2014-15 are stable and will continue to remain positive for 2015-16 due to the city's focus on a conservative and long-term financial approach. The city will continue to make efforts to improve infrastructure, reduce pension and retiree medical unfunded liabilities, and implement tools for transparency and simplicity to residents, taxpayers, and customers.

The midyear report information can be viewed in several convenient ways. Hard copies can be requested from the city clerk's office 626-307-1359; PDF copies can be downloaded from [www.MontereyPark.ca.gov](http://www.MontereyPark.ca.gov) by searching for "midyear report;" and a video presentation can be viewed on the February 4, 2015 city council meeting under item 6-C. To view council meeting videos online, please visit the website and look or search for "City Council Meeting Videos."

# Senior \$3 Metro Bus Pass Subsidy and Other Transit Updates

Beginning April 2015, the City of Monterey Park will offer its senior citizens the option of applying the city's \$3 subsidy toward the TAP card as cash value. Residents who are eligible for the Metro senior discount can receive an additional \$3 discount from the city when purchasing the Metro 30-day bus pass at the Langley Senior Center. Metro reduces their 30-day bus pass from \$100 to \$20 for seniors who are 62 years and older and Monterey Park further reduces the cost of that pass to \$17.

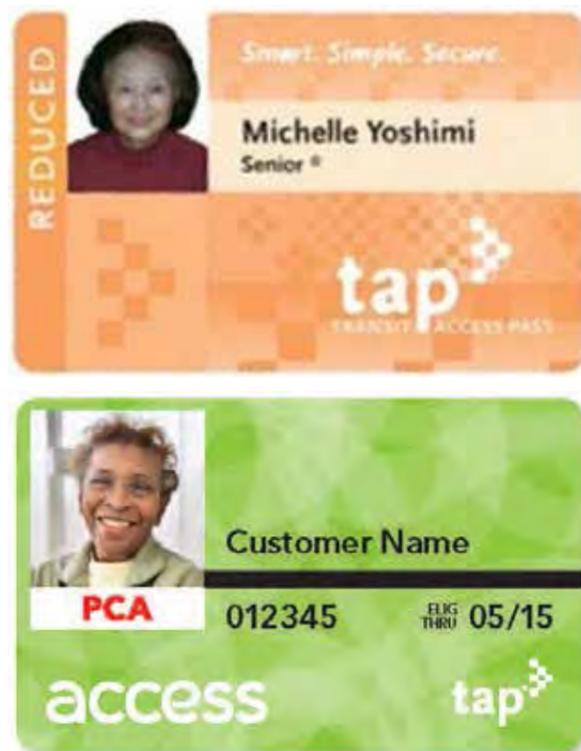

The city will now offer seniors, who are buying their 30-day monthly pass, the option of uploading the \$3 subsidy as cash value on their TAP card. Cash value is accepted on any transit system installed with TAP readers including Montebello Bus Lines and the Spirit Bus. This can come in handy during the period when the Metro 30-day pass has expired.

Langley Center sells Metro's 30-day monthly pass from the 25th of each month through the 10th of the following month, Monday-Friday, from 8:30 a.m.-4:00 p.m. For more information, please call Langley Center at 626-307-1396.

## SPIRIT BUS ON TAP

TAPCard readers are now installed on the city's Spirit Buses. TAP cards are electronic stored value cards and are accepted by numerous operators in the San Gabriel Valley to include Access Services, Foothill Transit, LADOT, Montebello Bus Lines, Norwalk Transit, Pasadena ARTS, and Metro to allow bus patrons to ride seamlessly and conveniently throughout Los Angeles County without the need for cash.

TAP Cards can currently be purchased at Ralphs Supermarket, 2230 S. Atlantic Blvd. in Atlantic Square; Langley Senior Center, 400 W. Emerson Ave. (seniors only); Gold Line Station at Atlantic and Pomona; and Cal State University, Los Angeles Busway/MetroLink Station. For more information, visit [www.TAPTOGO.net](http://www.TAPTOGO.net) or call 1-866-TAPTOGO.

## ACCESS SERVICES NEW ID CARD

Access Services, LA County's regional paratransit service, began issuing a new version of its RiderID/TAP card in January 2015. Both this new version and the previous TAP card version are valid. The white Access ID card is no longer accepted. To request a new ID card, contact Access at 1-800-827-0829 and enter option 3. There is no charge for the first replacement card. For more information regarding Access Services please visit their website at [www.accessla.org](http://www.accessla.org).

# Alhambra Day Nursery Board Offers Financial Grants and Scholarships

The Alhambra Day Nursery Board is inviting community individuals and organizations which serve children within the boundaries of the Alhambra Unified School District to apply for financial grants to help support their program. The school district boundaries encompass all of Alhambra and parts of Monterey Park, San Gabriel and Rosemead.

The board was founded in the 1940s with a mission to provide good and reasonable childcare for working parents in the community. Over the years, the organization has been able to purchase a building on Hidalgo Street in Alhambra and run a childcare center and pre-school program in cooperation with the school district. No longer running the childcare and pre-school program, the Day Nursery Board has changed its mission and is now offering scholarships to district high school seniors and financial grants to community individuals and organizations. The board has been able to accumulate funds through donations, endowments and rental of property and is utilizing these assets to improve the lives of children in the community.

For the past five years, the board has given over \$500,000 to groups and individuals for support of educational programs, which improve the lives of children. Some of the projects previously funded were: the Boy Scouts for their outreach programs; a freshman/parent orientation program; a summer kindergarten academy; the All District Band; the high school academic decathlon program; YMCA summer swim lessons and a youth in government program; and a variety of other projects submitted by school staff and community organizations.

Persons interested in applying for financial assistance from the Day Nursery Board are asked to request an application by contacting Ed Aguirre, grant coordinator, at 626-943-3080 or by writing Aguirre at 1515 West Mission Road, Alhambra, CA 91803. Deadline for submitting grant applications is March 31, 2015. Successful applicants will be notified by April 30, 2015 and the awarded funds will be available shortly thereafter.

Scholarships are being offered to senior students graduating from Alhambra, Mark Keppel, San Gabriel, and Century High Schools in the Alhambra Unified School District and seniors from Mission and Ramona Convent High Schools. The scholarships are for \$1,000 for the first year of college or university enrollment, with the opportunity to apply the following year for an additional \$1,000 for the second year and \$2,000 for each of the third and fourth year. Multiple scholarships will be given. Applicants must be planning to enroll in a major/program leading to a degree in a field working with children. Additional consideration will be given to those preparing to work in the area of early childhood education.

Scholarship applications will be available at each of the high schools mentioned above in February. Directions for submission of scholarship applications will be noted on the applications.

### ABOUT THE MUSICAL

Ever since Peter Pan flew in through Wendy Darling's nursery window and took her off to Never Land, J. M. Barrie's classic adventure story has thrilled and delighted generations of theatre-goers. Barrie wrote Peter Pan first as a work of prose and then adapted it for the stage. This Classic tells the story of Peter Pan, a mischievous flying boy who won't grow up, and the Darling children who long for adventure until they realize "there's no place like home".

Join Peter Pan on the island of Neverland with Wendy Darling and her brothers; the fairy, Tinker Bell; the Lost Boys; the Indian Princess, Tiger Lily; and the pirates led by the evil Captain Hook in this musical theatre adventure.

## Mark Keppel High School takes second in Los Angeles County Academic Decathlon

The Mark Keppel High School Academic Decathlon team: (left to right) Jocelyn Shackelford, Jeffery Wong, Jason Chang, Patrick Chea, Justin Ho, Chaney Tse, Eric Lin, Annette Cai, Jimmy Chong, and Coach Tin Tran.

Overall best individual decathletes: (left to right) Chaney Tse (3rd place, Mark Keppel High); Elise Matsusaka (1st place, South Pasadena High); and Douglas Wu (2nd place, Beverly Hills High)

In this year's regional Los Angeles County Academic Decathlon competition, Mark Keppel High School had a solid performance, finishing second with a score of 50,419.5 out of a possible 65,400 points. The winning team this year was South Pasadena High School, with a total of 54,897.5. Alhambra High School placed ninth, coming in at 43,960.2. All three teams, along with six others, will advance to the state round, which will be held March 19 to 22 in Sacramento. This year's theme is Alternative Energy.

Although Keppel finished second, the team improved significantly in score compared to last season. Coached by Social Science teacher Tin Tran, the team was able to increase its score by over 3,600 points compared to the previous year. The team could not succeed, however, without the tremendous support from Principal Jacinth Cisneros and district personnel, to whom it is ineffably grateful. The team consists of the following: seniors Chaney Tse, Annette Cai, Eric Lin, Jason Chang, Jeffery Wong; juniors Justin Ho, Patrick Chea, Jimmy Chong; and sophomore Jocelyn Shackelford. Overall, the team garnered 31 individual medals. In particular, Chaney Tse,

team captain and president, earned the honor of third highest scorer out of all decathletes at competition, and Patrick Chea earned the honor of second highest scorer in the scholastic category. Patrick's second-place finish also meant that he received the Jeff Jones Memorial Scholarship worth \$125.

The Alhambra team earned 14 individual medals, seven of which went to junior Chi Yu. Alhambra coach Jennie Malonek also received the Roberta Kordich Coach Award from the Los Angeles County Office of Education. San Gabriel High School, who competed in Division II, earned 15 individual medals. (Alhambra and Keppel compete in Division I and only Division I schools can qualify for state.)

Though there is a month-long gap between the regional competition and the state competition, the Mark Keppel team plans to use as much of that time as possible to improve further. The state competition involves the most competitive teams from all around California, so the Mark Keppel and Alhambra teams will put their effort into placing and scoring as highly as they can.

## Monterey Highlands School receives a Teaching Gardens Grant

From left to right: Marisa Rodriguez (American Heart Association Teaching Gardens Manager), Dr. Linda Nakagawa (Instructional Specialist), Robin Perez (Instructional Specialist on Special Assn.), Kelly Meyer (Co-founder of the American Heart Association Teaching Gardens Program), Dr. Debbie Kotani (Principal), Gary Ho and Connie Aoki (First Grade Teachers).

Monterey Highlands Elementary School, a nationally recognized Healthy School, received a Teaching Gardens Grant funded by Participant Media who teamed up with the American Heart Association (AHA) to create a school garden program. The school's garden consists of nine wooden boxes planted with spinach, Swiss chard, strawberries, bok choy, lettuce, cabbage, kale, and several herbs.

The AHA has created the Teaching Gardens program to educate elementary students about the importance of fruits and vegetables, to energize and excite them about produce, and to introduce fresh produce into the diets of students and their families. The program was designed to encourage healthy diets in young children and to help combat childhood obesity, which has reached epidemic proportions. Gardens make healthy foods fun, and they provide opportunities for children to try and enjoy healthy foods.

The AHA established an aggressive health impact goal for the year 2020: to improve the cardiovascular health of all Americans by 20 percent while reducing deaths from cardiovascular diseases and stroke by 20 percent. To measure the success of the 2020 impact goal, the AHA has created health impact measures for children over the age of two in the areas of: smoking, Body Mass Index, physical activity, diet score, total cholesterol, blood pressure and blood sugar. Specifically, to measure a healthy diet score the AHA has identified five primary and three secondary measures to improve the heart health of the American diet.

Two first grade teachers, Gary Ho and Connie Aoki, led the Teaching Garden. "With obesity being on the rise, the teaching garden provides a fun and exciting way to introduce fresh produce to our students and their families. Students and families will also learn to make healthy choices and may even grow their own backyard garden to continue to live a healthier lifestyle at home," stated Mr. Ho.

Kindergarten class enjoys the Teaching Garden.

PTA parents volunteer in the Teaching Garden.

Eighth grade students work in the Teaching Garden with Dr. Debbie Kotani and Dr. Linda Nakagawa (left).

Mrs. Aoki added, "The teaching garden allows our students to get out of the classroom and step outside into the real world where learning can take place. They get to experiment and learn through hands-on activities."

# News from Gateway to Success Congratulations Parent Project graduates!

In December, the Gateway To Success program of the Alhambra Unified School District's graduated its tenth class of parents. Parent Project is for parents who have difficult, strong-willed or out of control adolescents. Parents learn and practice specific prevention and intervention strategies for destructive behaviors. The goal of Parent Project is to improve communication, teach parents how to set consistent boundaries and set appropriate consequences. Parent Project is instrumental in making children better learners, making schools better and building stronger communities. The relationships that are formed in these classes coupled with the skills that are learned are life changing. Parent Project is offered twice a year by the Alhambra Police Department in collaboration with Alhambra Unified School District and is at no cost to participants. The next

session will be in summer. Please call Gateway to Success (626) 943-3410 for more information or visit [www.ausdgateway.com](http://www.ausdgateway.com).

### 40 DEVELOPMENTAL ASSETS TRAINING FOR PARENTS

Gateway to Success will be offering AUSD parents 40 Developmental Assets: a 5-week program developed by the Search Institute which identifies a set of skills, experiences, relationships, and behaviors that enable young people to develop into successful and contributing adults. The program is free of charge and is on Tuesdays, 8:30 am – 9:30 am, March 31 - April 28. Available in English and Spanish. Please contact Gateway To Success (626) 943-3410 for more information and to register.

# San Gabriel speech and debate students succeed at Stanford Invitational

Thirteen members of San Gabriel High School's speech and debate team and their adviser recently journeyed to the Bay Area for the 29th Annual Stanford National Invitational sponsored by the Stanford Debate Society.

From Feb. 7 to Feb. 8, the preliminary rounds were held at the Santa Clara Marriott hotel, and the final rounds were held on the campus of Stanford University. The invitational is a national tournament with over 200 schools across the United States competing including schools from Colorado and Texas. Despite the increased competition and the unfamiliarity, Coach Andrew Nguyen lauded the team for their performance.

"I am very proud of the [speech and debate team]," Mr. Nguyen said. "They were competing in a lot of new and unusual conditions. We had many rounds per day, at a competition with over 2,000 entries. It's the only national circuit tournament that San Gabriel attends, and one of the only chances we get to see this many schools competing at this high of caliber."

Senior Robert Lam broke into semifinals for Junior Varsity Oratorical Interpretation with a 10-minute reinterpretation of

Randy Pausch's "The Last Lecture." Meanwhile, sophomore Kelly Ho placed fourth in Junior Varsity Extemporaneous Speaking with a seven-minute spontaneous speech about the effects of China's labor policies on human rights violations. Kelly was given 30 minutes to research the topic beforehand. Both students received trophies.

"Going to finals in extemp was something I never expected from myself," Kelly said. "It was scary because I was competing in unfamiliar territory, and I was really far away from home."

Besides competing, the Stanford Invitational was an educational experience for the debaters as they toured both Stanford and Berkeley campuses and met with San Gabriel alumni at the schools.

With new ideas and inspiration from the Stanford Invitational, San Gabriel High School's speech and debate team will continue their competitive season, as they prepare for Spring Novice and State Qualifiers toward the end of the month.

San Gabriel students Robert Lam and Kelly Ho place at the 29th annual Stanford National Invitational.

# Getting Teeth Cleaned Reduced "Bad" Cholesterol by 30%

By John Chao, DDS

Dr. John Chao, DDS

A study of 273 aboriginal Australians showed that treatment of gum disease with "deep cleaning" was so able to reduce the thickness of the carotid artery that this change can be equated to having reduced "bad cholesterol" by 30%.

This study was conducted by the University of Sydney and published in Hypertension online June 23, 2014. The author, Michael Skilton, BSc, PhD, said that, "The study shows that the non-surgical periodontal therapy significantly reduced the progression of thickening of the carotid artery over a one-year period". He further explained, "The effect is comparable to a 30 percent [decrease] in low-density lipoprotein cholesterol [levels]—commonly referred to as 'bad' cholesterol—

which is associated with a decreased risk of heart disease".

Dr. Skilton led a team of researchers from The University of Sydney and other Australian and U.S. institutions. They enrolled 273 aboriginal Australians who had periodontitis in a parallel-group, open-label, randomized clinical trial. Participants in the intervention group received full-mouth periodontal scaling during a single visit. Those in the control group received no treatment.

Follow-up data were available for 169 participants at three months and 168 participants at 12 months.

After 12 months, participants in the

intervention group had experienced a significant decrease in intima-media thickness—an indicator of arterial structure—but those in the control group did not, the authors reported. In contrast, there were no significant differences between the groups in pulse wave velocity, an indicator of arterial function.

"Future studies may tell us whether a more intensive approach to periodontal therapy, including regular periodontal maintenance schedules, can produce more marked improvements in vascular structure," Dr. Skilton said.

So don't wait when you have gum disease. See your dentist and save your life.

## A Notice to the General Public

This notice is to inform the public that on May 1st, 2015, Dr. David C. Di Lettera, at 2390 S. Garfield Ave. in Monterey Park, will be taking and extended leave from medical practice to spend important time with his family. To all patients who have seen Dr. Di Lettera over the years, please use this time to find another physician or clinic that will handle your medical needs. Dr. Di Lettera will supply physicians names to you if you desire. Your medical files will be kept at the office and copies of your records will be sent to the new medical provider if you wish.

Thank you very much for allowing me to treat your medical needs for over 30 years.

God bless you all.  
Sincerely,  
Dr. David C. Di Lettera

### 4月18日地球日和騎自行車日節慶，著重節約用水和環保問題

4月18日星期六早上11點至下午3點，在博恩斯公園舉行的蒙市櫻花節裡，蒙市環保委員會將舉行第五屆地球日慶祝活動。

在地球日節慶開始之前的早上，將邀請父母，年齡10歲以上的青少年，以及公眾參加騎自行車這個慶祝活動。委員會正與聖蓋博山谷自行車組織(www.bikesgv.org)一起努力，促進一家大小在蒙市鄰里進行友善的乘騎活動。

地球日活動將有環保組織，機關，以及公共機構出席現場。各種各樣的教育資源，材料，以及如節約能源，清新空氣，用水質量，持續力等環保問題上的文學資料，都將呈現眼前。今年的焦點問題，將是節約用水，如何應付加州乾旱的天氣。美國綠化大廈委員會將再度出席本次活動，為大家推薦緩和熱海島作用和收集暴風雨水的最佳方法之一，就是植樹。現場活動：在節慶活動上免費贈送樹木。

環保委員會對展開另一年度的節慶活動和樂趣，充滿興奮。如需更多詳情，請瀏覽市政府網站或致電626-307-1320，或電郵至：amho@montereypark.ca.gov，與Amy Ho聯繫。

### 蒙特利公園市警察局警告大家不要分心，提防盜賊

小心留意站在門前想要轉移您視線的冒名頂替者，他們的犯罪夥伴會同時偷偷走進您家中，偷竊您的寶貴物品  
由蒙特利公園市警察局John Martindale警官敘述說明

由於最近在蒙特利公園市及聖蓋博山谷附近搶劫趨勢漸多，蒙特利公園市警察局警告居民要提防住宅區鄰里之間的可疑行為。大部份的住宅打劫行為多發生在居民不在家中的日間時段，然而，在搶劫趨勢中的一個警示，叫“分心搶劫”，就在您眼前犯案。

當一個作案分子施計讓屋主分心時，他們的犯案同夥就會從屋主家中偷取財物，分心搶劫就此發生。通常，這類型的犯罪分子將扮演市政官員或公共事業工作人員，或作為受害者認為可以信任的服務人員或檢查人員。這些盜竊犯為了讓他們的作案同夥能進入家中，將誘使居民進入後院或遠離前門。嫌疑犯或許看起來很有幫助或關注您的財物，但他們只是想轉移您的注意力，讓他們的同夥可以徹底搜索您的家！在過去，這些盜竊犯曾以蒙市市政人員或承包商，公共事業維護人員，有線電視安裝人員，修剪樹木人員等身份作案。雖然他們穿著制服，但通過仔細觀察，他們的偽裝通常是掩蓋不住。請記住查看他們的身份證件，若某人自稱是來為您家提供某類型服務。若您沒有要求任何來自公共事業公司或其他供應商的服務，您應該要馬上報警。

除了要小心留意這些冒名頂替者之外，居民們可以協助打擊犯罪活動的另一個重要方式，就是馬上向鄰里報告可疑的行為。若您發現鄰里間有異常或不正常的行為發生，請立刻告知警察，報告您觀察到的可疑人或車輛等行為。記住，越快報警，警察官員就可以越快對犯罪行為進行調查和處理。

蒙特利公園市警察局電話：626-573-1311，或撥打緊急求助電話9-1-1。若想得知更多有關預防犯罪，個人安全以及緊急準備，請考慮加入蒙特利公園市警察局的鄰里守望相助計劃。若需更多有關鄰里守望相助信息，請致電626-307-1215，與蒙市警察局社區關係部門聯繫。

### 蒙市市內水表更換

2015年2月蒙特利公園市新加入的綜合性用水資金改善計劃，將對市內大約10,745隻水表進行升級或更換，改為自動水表讀數(AMR)系統。這更換的目標是要提升市內帶有電子讀數能力的用水分佈系統，以及更換已過了適用服務年限的水表。咪表目標對象包括所有商業和住宅咪表。整個計劃的完成時限估計為八個月。

#### 概要

自動水表讀數(AMR)系統，將允許從車輛的無線電接收機上閱讀咪表數。作為城市節約能源計劃的一部分，這計劃已開始實施。水表是用於測量提供給我們顧客的用水量的儀器。更換舊式水表，將確保城市可以準確追查以計費為目的的雙方單獨用量，以及監測和評估社區用水需求和用水洩漏。

#### 公共宣傳

在安裝新的水表之前，所有受影響的用戶將會事先收到用戶通知信函，並在用戶面前講解新的水表安裝事項。

#### 安裝

承包商Siemens and Pedal Valve公司，將對水表進行更換或升級。工作組人員將穿著藍色的襯衫和帶有Siemens西門子商標的黃色背心作為識別標記。在更換水表期間，卡車也使用與衣服一樣的商標。更換一隻咪表大概需要30分鐘左右，同時，在更換咪表期間有可能會臨時中斷用水服務。

在升級期間可能會對您的用水服務帶來不便，敬請見諒。在這個重要項目中，我們對您的耐心感到非常感謝。若您對此項目有任何疑問或見解，或需要特別用水，請致電626-307-1320或瀏覽市政府網站www.MontereyPark.ca.gov，與公共工程部聯繫。

### Conservación de Agua, Temas del Medio Ambiente Acentuados Durante el Festival del Earth Day y el Paseo en Bicicleta el 18 de Abril

La Environmental Commission (Comisión del Medio Ambiente) de Monterey Park serán los anfitriones del quinto Festival del Earth Day (Día de la Tierra) el sábado, 18 de Abril, de 1:00 a.m. a 3:00 p.m. en el Barnes Park al lado del Festival del Cherry Blossom (Festival de la Flor del Cerezo).

En la mañana antes de la apertura del Festival del Earth Day, los auspiciadores del paseo en bicicleta invitan a los padres, niños de 10 años o más, y al público en general a participar en el paseo. La Comisión está trabajando en conjunto con "Bike San Gabriel Valley" (www.bikesgv.org) para facilitar el amigable paseo familiar a través de los vecindarios de Monterey Park.

El evento del Earth Day incorporará organizaciones del medio ambiente, instituciones, y agencias públicas. Varios recursos educacionales, materiales, y literatura sobre temas del medio ambiente tales como conservación de energía, aire limpio, calidad del agua, sustención y mucho más estarán disponibles. El foco de éste año será la conservación de agua ya que California está afrontando la condición de sequía. El U.S. Green Building Council estará participando nuevamente y promoviendo la costumbre de plantar árboles ya que una de las mejores maneras de mitigar el efecto del calor y de juntar el agua de tormentas es plantando árboles. En preparación: Regalos de árboles gratis durante el festival.

La Environmental Commission está muy entusiasmada con otro año de diversion y festividades. Para más información, por favor visite la red de la ciudad o póngase en contacto con Amy Ho llamando al (626) 307-1320 o por e-mail al amho@montereypark.ca.gov.

### El Departamento de Policía de Monterey Park Advierte sobre los Robos por Distracción

Mantenga sus ojos abiertos por los impostores que desvían su atención hacia alguien en la puerta mientras que un cómplice entra a su casa a hurtadillas para robarle sus objetos valiosos.  
Por: Sargento John Martindale, Departamento de Policía de Monterey Park

Debido a la reciente tendencia de robos en Monterey Park y del circundante Valle de San Gabriel, el Departamento de Policía de Monterey Park está advirtiendo a los residentes que se percaten de actividades sospechosas en los vecindarios residenciales. La mayoría de robos residenciales ocurren durante las horas del día cuando los residentes están fuera de sus casas, sin embargo, una alarmante tendencia de robos, llamados "robos por distracción" se están cometiendo delante de sus ojos.

El robo por distracción ocurre cuando un criminal distrae al dueño de casa mientras que el socio roba las posesiones del hogar. A menudo, éstos tipos de criminales posan como un trabajador oficial de la ciudad o de los servicios de utilidades o ellos pueden ofrecerle algún servicio o inspección a la confiada víctima. Estos ladrones tratan de atraer al residente hacia el jardín de atrás o lejos de la puerta delantera para que así sus socios puedan entrar en la casa. Los sospechosos pueden parecer serviciales y preocupados por su propiedad, pero lo único que quieren hacer es distraerlo el tiempo suficiente para permitir que sus socios saquén su hogar. En el pasado, éstos ladrones se han hecho pasar por trabajadores de la ciudad de Monterey Park o contratistas, personas que reparan las utilidades públicas, instaladores de cable, podadores de árboles, etc. A pesar de que ellos pueden estar usando un uniforme, sus disfraces no van a aguantar un buen escrutinio. Recuerde – siempre pida una identificación si alguien reclama que va a proveerle algún tipo de servicio en su hogar. Si usted no ha pedido ningún servicio de las compañías de utilidades o de otros proveedores, usted debe de llamar a la policía inmediatamente.

Además de mantener sus ojos abiertos por éstos impostores, otra importante manera en que los residentes pueden ayudar a combatir el crimen, es reportando cualquier actividad sospechosa en sus vecindarios inmediatamente. Si usted ve alguna actividad en su vecindario que parece extraña o fuera de lo ordinario, no vacile en llamar a la policía y reportar la actividad que usted está observando y déles una descripción de las personas o vehículos envueltos. Recuerde, que lo más pronto que llame, lo más pronto que los oficiales de policía pueden responder para averiguar la actividad.

El número de teléfono del Departamento de Policía de Monterey Park es 626-573-1311 o 9-1-1 para emergencias. Para aprender más acerca de la prevención del crimen, seguridad personal y preparación para emergencias, considere el unirse al programa de "Neighborhood Watch" (Vigile su Vecindario) del Departamento de Policía de Monterey Park. Para más información sobre "neighborhood watch", llame al MPPD Community Relations Bureau al 626-307-1215.

### Reemplazo de los Medidores de Agua de toda la Ciudad

En Febrero del 2015 la ciudad de Monterey Park inició un comprensivo programa del agua de excelente mejoras que modernizan o reemplazan aproximadamente 10,745 medidores de agua con un sistema automatizado de medidor (AMR). El propósito de éste esfuerzo es el modernizar el sistema de distribución de agua de la ciudad con la capacidad de lectura electrónica y reemplazar los medidores que han servido más allá de sus estimadas vidas útiles. La población que tiene medidores incluye todos los medidores comerciales y residenciales. El tiempo estimado para completar todo el proyecto es ocho meses.

#### PERSPECTIVA

El sistema AMR permitirá que los medidores se puedan leer desde sus receptores en los vehículos. El programa está siendo conducido como parte del programa de conservación de energía de la ciudad. Los medidores de agua son aparatos usados para medir la cantidad de agua repartida a nuestros clientes. El reemplazo de los medidores viejos va a asegurar que la ciudad pueda llevar la cuenta precisa del uso para usarlo en las facturas, y también para controlar y evaluar la demanda de la comunidad y los escapes de agua.

#### NOTIFICACIÓN PÚBLICA

Todos los clientes afectados serán notificados por adelantado por medio de una carta de notificación y en persona antes de la instalación del nuevo medidor

#### INSTALACIÓN

Los contratistas, Siemens y Pedal Valve, Inc., reemplazarán o modernizarán los medidores de agua. Los equipos de trabajadores serán identificados por el uso de camisas azules y chalecos amarillos marcados con el logotipo de Siemens. Camiones marcados con el mismo logotipo serán usados durante los cambios de medidores. El reemplazo de cada uno de los medidores tomará aproximadamente 30 minutos y habrá una temporal interrupción del servicio mientras el medidor es reemplazado.

Por favor disculpen cualquier inconveniencia durante ésta modernización a su servicio. Su paciencia durante éste importante proyecto es apreciada. Si usted tiene alguna pregunta o preocupación concerniente a éste proyecto, o si tiene especial necesidad de agua, por favor póngase en contacto con el Departamento de Obras Públicas llamando al (626) 307-1320 o visite la red de la ciudad en el www.MontereyPark.ca.gov.
